Dear Amy and Robert:

I've placed Lynn Dean's and Dean Services West's responses in the mail. They will probably be postmarked tomorrow.

I'm attaching PDF copies of the responses, minus the voluminous document production. I took the liberty of including the production in PDF format on a disk with the physical copy of the responses. Everything is Bates stamped for ease of reference, and the files have usable tables of contents for navigation.

If you'd like me to send paper copies (it's around 550 pages total), let me know, and I'll have a copy service near you print and deliver it.

As always, I'm here if you need anything else.

Yours,

Gregory W. Rome
